TRIPS, TIPS & DEALS BY MARGARET BACKENHEIMER

A very Carrie weekend

New York's four Affinia Hotels invite fans of Carrie, Samantha, Charlotte and Miranda to its "**Sex and the City Girlfriend Getaway.**" The one-night packages cover accommodations and a "Sex and the City" tour to locations used in filming the upcoming "Sex and the City" movie.

Also included are a bottle of champagne, a Magnolia Bakery certificate for the same cupcakes Miranda purchased and a "Sex and the City" shoe bag for those stilettos we all can't do without. Good through Sept. 2, the two-person package is priced at \$389 for studio accommodations and \$509 for a one-bedroom suite, plus tax and tips. Extra girlfriends are \$79 each.
