

Midnight Rates for last minute guests in NYC

Here's an interesting idea from the folks at [The Affinia Manhattan](#): Cheaper rates late at night.

NYC commuters know that it's sometimes hard to wrench yourself out of the city in time for that last train, and sometimes, well, you're just too tired to make the trip; or maybe you've had a bit to drink and you'd rather not drive.

Head over to The Affinia, conveniently located right across from Madison Square Garden and close to both Penn Station and Times Square. They're currently offering special rates for rooms booked after 10:00 PM from just \$159.00. That's \$100 off the regular price -- and what we like about it is that it's *fair*. Why should you pay the same as a guest who checked in at 3 and took advantage of all the hotel's amenities when you just need a place to crash?

Just show up late at The Affinia Manhattan (371 Seventh Avenue) and ask for the Midnight Rates deal -- go in on it with whichever buddy kept you out so late for extra savings.
