Announcing The Coolest Summer Ever! -- Nope, we're not talking weather. *TheListAreYouOnIt.com* has every which way possible for you to relax and do cool stuff, all summer long:

- **Outdoor Splendor** - With summer right around the corner, **Art and Soul** restaurant at **The Liaison Hotel** is providing diners with a plethora of reasons to enjoy summer's warm breeze. The restaurant's recently opened seasonal patio has introduced *Crab and Beer Wednesdays*, where guests can cozy up to the new outdoor fire pit and indulge in Maryland's finest, while throwing back iced-cold brews. In addition, patrons with furry friends can bring them by the patio for the *Puppy Patio* menu complete with doggie drinks, treats and desserts, which are available now.

The Crab and Beer Wednesdays special includes three super jumbo crabs, corn on the cob or seasonal vegetables, hushpuppies and potatoes. Price will vary depending on the market price of the day. The crabs are a perfect match for **Art and Soul's** selection of regional microbrews available on tap. The restaurant recently went local with its brews on tap, and is now only serving beer from area breweries, such as Double Dog Double Pale Ale from Flying Dog Brewery in Maryland and Beach House Golden Pilsner from Old Dominion Brewing Company in Virginia. Buckets of six, 7-oz. "nips" are also available for \$14. Crab and Beer Wednesdays are from 5:30-10:30 p.m. on the patio every (you guessed it!) Wednesday until the patio closes for the season.

The Puppy Menu will be available on the patio only and includes pet-friendly beverages such as Wagtime, your best friends' non-alcoholic brew, Vitapaw, vitamin enhanced water and regular water. Treats include Raw Deal frozen raw bones, "Hungry Dawg", 6-oz. grilled steak and Gravy Train beef tips topped with vitamin-enhanced sauce with rice. There are even dog friendly desserts, such as Pure Bread, homemade doggie granola treats, Puppy Cakes, chef's selection and homemade dog biscuits treats. The Puppy Menu is available everyday of the week in the spring, summer and fall when the patio is open. BTW, The Puppy Menu will also be available in The Liaison Capitol Hill, an Affinia Hotel's in-room dining menu, for those that stay at the hotel with their four legged family member.
