Roll up your shirtsleeves, tuck a napkin under your chin and get ready for some messy eating of the kind that city folk don't normally find nearby.

Pickin' peppery, hard-shell crabs partnered with a cooling beer is a close-to-home possibility on **Art & Soul's** patio each Wednesday night from 5:30–10:30 PM. The deal includes corn on the cob, potatoes and hushpuppies, and is market-priced. Area breweries are tapped for its suds list, with buckets of 7-oz. "nips" available for \$14. And of course, you can always bring Fido along with you – he's even got his own [menu](#) (202-393-7777).
