DESIGN & DÉCOR

Designed by acclaimed architect and designer Amanda Sullivan, the hotel features calming shades of spring green, deep blue accents, rich dark wood finishes, and neutral wall tones help to create a peaceful, pleasing ambiance while design accents such as throw pillows, decorative mirrors and ottomans provide an upscale and home-like feel.

The art installation by famed mural artist Tony “Rubin” Sjöman spans the entire back wall of the property and provides a lively backdrop for the hotel’s ground floor Patio Suites. Rubin continued the mural on the hotel’s garage door which faces East 64th Street, allowing the community to enjoy one of the only examples of street art in Manhattan’s Upper East Side.
